Theme Team Click

Focus on your **THEME** and click the perfect Image!

Theme Team Click will create a buzz during your virtual corporate event! Participants take on the task to collaborate and interpret how they can showcase their selected theme through one perfect photo to win!

What is Theme Team Click?

This is a virtual team activity whereby each 10 participants form separate groups and are given limited time to create a winning theme photo. All photos will then be voted on by colleagues!

What will the participants experience?

Teams are asked to create a photo each about their selected theme or value. The group needs to talk among themselves to come up with the necessary images. One group member should upload a collated image of all the group's photos that best describe the theme / value.

What will teams need to consider during the activity?

What does this Theme mean?
How can we best demonstrate it?
How can we show creativity?
Will the meaning be clear through the photo – do we need to add words?

As a decision maker who should you aim Theme Team Pic at?

This is an activity that can be carried out and enjoyed by everyone in the team.
